POLICIES

Service policies are in line with those required by the National Quality Standards

For further information on any of our policies there is a policy folder for families to refer to on the sign in desk at KOSHC or speak to one of the above staff members.

KOSHC NUT FREE POLICY

Parents and families need to be aware that our service has a NUT FREE policy. Children should not be sent to KOSHC with any nut products as part of their recess or lunch.

As well as raw nuts themselves, products included in our nut free ban are Nutella, Peanut Butter, biscuits and bars containing nuts of any kind and any other products which state nuts as an ingredient on the label.

Supporting this policy is extremely important at KOSHC as we have several children with nut allergies who attend.

We appreciate your cooperation.

Revised May 2017
