Social and Behaviour Reports are sent home in Success books each term and are a brief report on Social development.

Mid Year and End of Year Summative Reports include an assessment against each area of study based on outcomes from the South Australian Curriculum , Standards and Accountability Framework. In addition the report includes brief comments on development and areas for improvement and on students attitude to all areas of study.

Teachers are constantly assessing student learning growth through observations, tests, product analysis, assignments, school and standardised tests, sharing information with other teachers and from parents.

Parents and teachers may request an interview at times outside of the school's formal reporting schedule. Parents are requested to seek an appointment at a mutually convenient time.
