SCHOOL  
HOLIDAYS  
ARE  
HERE !!

End of Term 2  
Please remember early  
dismissal tomorrow  
at 2.10pm  
HAPPY HOLIDAYS!!

### ***From the Principal***

#### **Tip 4: Support good relationships**

Parents can help children develop friendships and get along with other people, including their teacher. Children tend to do better when they get on with their teacher and classmates. Children also tend to enjoy learning and being at school when they have strong friendships.

#### **Be positive about school and respectful of teachers**

Help your child to build and maintain a positive relationship with their teacher.

#### **Support good relationships with friends and classmates**

Talk about your child's friends and relationships, about how they respond to any problems they are having and talk about their ideas for resolving conflict positively. Skills that help friendships include cooperation, communication, empathy and emotional control.

If your child has negative experiences, you can involve teachers and school staff to help with this.

#### **COVID-19**

As we are seeing in the news, the situation with COVID-19 continues to change each and every day.

At this point in time, please remember the following directions are currently in place:

1. Students and staff must stay home if they are unwell. Please inform the Front Office of your child's/ren's absence
2. Adults, including parents, must continue to physical distance wherever possible, including at drop off and pick up time or when attending school assemblies, school events or meetings. Parents are asked **not to come onto the school grounds before 3.00pm**
3. Please use the hand sanitiser when entering the Front Office

### ***From the Principal continued***

4. The current increased cleaning at school will continue.
5. All adults, including staff and parents, are expected to use the COVID Safe Check-In (QR codes) when entering school grounds or classrooms/buildings.
6. All volunteers must continue to sign in at the Front Office.

If any of the above directions change, we will inform the school community as soon as possible. We thank you for your ongoing support and cooperation with the above requirements.

### **Staff Update**

I am pleased to announce that Jemma Worroll will be returning next term as Student Wellbeing Leader, working Monday, Tuesday and Friday. Jemma is excited to be returning and we look forward to having her back as part of the Kapunda Primary School community. I would like to thank Daniel Ryan for the great job he did as Student Wellbeing Leader whilst Jemma was on leave.

We also welcome Rhiannon Flowers who will be in Room 19A (Year 6/7) on Thursdays.

### **Reflecting on Term 2**

It has been another productive and rewarding term for students and staff. As site leader, it is great to see the wide range of learning programs and activities provided for our students.

Some of the highlights of Term 2 include ...

- Great team and individual performances at SAPSASA
- Targeted professional learning on Pupil Free Day designed to best support all students and their stages of learning
- A superb Sports Day, enhanced by the attendance of family members
- A successful NAPLAN online week for our Year 3, 5 & 7 students
- A fun filled Ankara Camp for Year 5, 6 & 7 students

- Concerted focus on growth and improvement for every child

I wish you and your children a lovely July School holiday break. Hopefully you are able to spend some quality time together as a family.

See you all again on Monday, 19<sup>th</sup> July.

Kind regards,  
David Pitt  
Principal

### Interesting Fact

The word "checkmate" derives from the Persian phrase "Shah Met" which means "the King is Dead."

### KOSHC News

KOSHC will be hosting a ThinkUKnow (Cyber Safety Awareness) presentation on Monday 9th August 2021 in the activity room and all parents, carers and children at Kapunda Primary School are invited to attend.

ThinkUKnow Australia is an evidence based education program delivered nationally to prevent online child sexual exploitation.

ThinkUKnow Australia is a partnership between the Australian Federal Police, Microsoft Australia, Datacom and the Commonwealth Bank of Australia. The program is delivered in collaboration with policing partners New South Wales Police Force, Northern Territory Police, Queensland Police, South Australia Police, Tasmania Police, Western Australia Police, as well as Neighbourhood Watch Australasia.

The presentation will be delivered by a local law enforcement member and an industry volunteer. The presentation is pro-technology and will help children and parents to understand the benefits and challenges of technology, and develop critical thinking skills to identify harmful situations online as well as how to get help.

This is a fantastic opportunity for you and your child to learn more about the online environment, and how you can be safe and responsible users of technology.

For more information, you can visit [www.thinkuknow.org.au](http://www.thinkuknow.org.au) or contact Louise Jenner KOSHC Director on 0401997763  
RSVP to attend by Friday 30th July as numbers will be limited by COVID space requirements.

### Joke of the Week

Batman

12 Bar Blues

Power Rock

Traffic Jam Blues

You must **NOT** stop or park in a SCHOOL BUS ZONE for any reason.

This is for the safety of our children.

Chess Club will be running for students in Term 3 on Friday's at lunch.

If you have any chess sets that you could kindly donate to our school we would be very appreciative.

## ICAS Assessments 2021

Dear Parents/Carers,

We are delighted to inform you that Kapunda Primary School will be participating in the world-renowned ICAS Assessments this year. ICAS is developed by UNSW Global, a wholly owned subsidiary of UNSW Sydney, with over 35 years' experience in educational assessments.

ICAS is designed to target students' higher-order thinking and problem -solving skills. Our school will be participating in English, Mathematics and Science online assessments.

Each assessment celebrates students' accomplishments by providing opportunities for recognition. Every student will receive a printed certificate and an online result report. Top performers will be eligible for medals and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

**We encourage you to consider entering your child into ICAS this year.** The assessments are suitable for students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment. Your child will be presented with high-quality, expert-developed questions, allowing them to apply their learning without the need for prior study or revision.

ICAS Assessments are now online, a move that reflects a sector-wide transition to computer-based assessments. This allows greater accessibility for students and faster delivery of results.

Learn more about ICAS here: [unsw.global/ICAS](https://unsw.global/ICAS)

### **2021 Participation – Online Parent Payment**

In 2021 students have the opportunity to participate in the following subjects:

Subject	Sitting Windows – Actual Date to be confirmed after entries close
ICAS Science	Monday 23 <sup>rd</sup> August to Friday 27 <sup>th</sup> August
ICAS English	Monday 16 <sup>th</sup> August to Friday 20 <sup>th</sup> August
ICAS Mathematics	Monday 30 <sup>th</sup> August to Friday 3 <sup>rd</sup> September

### **Cost per test: \$17.05 including GST.**

These assessments will take place during the school day for students who take up this opportunity.

If you would like your child to participate in any of the subjects listed above, please visit the **new online Parent Payment System** to make a direct payment to UNSW Global. The Parent Payment System is a simple and secure online payment service specifically for parents to purchase ICAS Assessments.

The web link is: <https://shop.unswglobal.com.au/pages/pps>

Our school's unique access code is: **XRT107**

Online payment closes Friday, **23<sup>rd</sup> July 2021.**

**IMPORTANT:** *Please enter your child's name accurately into the System as it will appear on their ICAS certificate.*

### **Privacy notification**

UNSW Global stores, uses and modifies the ICAS Assessments data in order to generate reports, conduct research and analysis, and improve its products and services. UNSW Global will not hold or use ICAS Assessments data that constitutes personal information for longer than 15 years. As the parent or guardian of a student who intends to sit ICAS Assessments, you consent to the school collecting the ICAS Assessments data that relates to the student, disclosing it to UNSW Global and to UNSW Global's use of it in the manner outlined above. You also consent to the school assigning this consent to UNSW Global.

We are proud to partner with UNSW Global in offering the ICAS Assessments, and look forward to some fantastic results later in the year.

Please do not hesitate to contact the school office if you have any questions.
