2022-2024 Site Improvement Plan

Like all South Australian public schools, Kapunda Primary School seeks growth for every student, in every class. To achieve this we regularly establish school Improvement goals as we seek to improve our practices and provide a better education for all students, to build them a stronger future. Establishing and maintaining our school's performance occurs through ongoing reflective practice and self-review to create opportunities for innovation and is measured through NAPLAN testing in Years 3, 5 & 7, and annual Year 1 Phonics Screening Check and Progressive Achievement Testing for all Year levels.

Our overall 2021 school results in NAPLAN are excellent. For the past three years we have kept a strong focus on improving students' reading and numeracy. In doing this we have made changes to 'what we teach' and 'how we teach' in line with what current educational research considers to be best practice. On Monday leadership deeply analysed our data to support the development of our next three year Site Improvement Plan that will set ongoing improvement goals, establish what the challenges are to our practice and determine what our actions will be to meet specific success targets.

Volunteers back on site

It is wonderful to be able to welcome volunteers on site again. If you are volunteering, please ensure you are wearing a mask, QR code checking in, sanitising hands and practicing social distancing.

Whilst volunteers are allowed back on site, we are still requesting parents/carers to drop and collect their children at the gates.

2022 Student Placement

This week all parents/carers would have received a letter inviting the opportunity to provide information you consider important to assist when placing your child in a class for 2022. Please remember this information needs to be returned by **Friday, 29th October** in the box located at the Front Office.

2022 Materials and Services charges

Section 106A of the Education Act enables schools, in consultation with the school Governing Council/Community to set, collect and recover a Material and Services Charge. Attached in this newsletter is a written verification from the Chief Executive Officer in the form of a "Watermarked Notice".

All Parents/Caregivers are invited to attend the School Governing Council Meeting on **Monday 22/11/2021 at 6:30pm** (depending on COVID-19 restrictions) at which the proposed Materials & Services Fees for 2022 are to be approved. Please see the copy of these fees in this newsletter. If you have any queries regarding this charge, please contact the school on 8566 2008. If you are unable to attend the Governing Council meeting, you are welcome to express your views in writing to the Chairperson, Megan McWaters at Kapunda Primary School.

Kind regards,

Instrumental Music

On Thursday Week 10, the KPS musicians "hit the road" and went on a Music Tour. We played 3 concerts to students around the school; in the Courtyard to the Receptions and some Middle Primary students; outside in the Junior Primary courtyard and to the Upper Primary students outside area. I am so proud of our musos - we played very well together these 3 songs: *Hang on Sloopy*, *Geronimo* and *Dynamite (BTS)*.

Students currently in year 3-5 at KPS are encouraged to join the Instrumental Music program next year. There will be a Demo ("try-outs") in week 5 of next term for any student keen to join us.

To participate, an Expression of Interest form, which can be found at the front office or class teachers, needs to be returned to the front office.

Early next term, these musicians will be going on an excursion to participate in the annual Barossa Music Workshop. They will be joined by 60+ musicians from Angaston, Nuri, Greenock and Tanunda Primary Schools, as well as Nuri HS students in this massive concert.

SAPSASA Girls Football

We had 5 students who represented KPS in the Barossa & Light SAPSASA Girls Football team this week in Adelaide. These girls were a part of making history by playing SAPSASA Girls Football in the first competition ever. They ended up 3rd in their division by winning 7 of 9 games.

Congratulations!!
