From the Principal

2022-2024 Site Improvement Plan

Our current 3 year Site Improvement Plan is coming to the end of its cycle. The school improvement planning process aims to make sure all SA public schools apply a consistent approach to, and implementation of, the improvement cycle. There are five steps of the improvement cycle:

1. Analyse and prioritise: Analyse evidence of student learning and answer the question, 'What are our goals for improvement?'
2. Determine challenge of practice: Consider how improvements in teaching practice will help achieve goals for improvement and answer the question, 'What areas of practice should we focus on improving, to reach our goals?'
3. Plan actions for improvement: Consider evidence of best practice to answer the question, 'What actions should we take to improve our practice and reach our goals?' This involves specifying a timeline, responsibilities and resources needed for each action, and the success criteria that will give confidence the actions are having an impact on student learning.
4. Improve practice and monitor impact: Implement the planned actions for improvement and meet regularly to monitor

your impact by answering the question, 'What evidence do we have that we are making progress towards our improvement goals?' Then adjust your actions as required to maximise impact on student learning.

5. Review and evaluate: Review the impact and cost effectiveness of your actions for improvement and answer the questions, 'Have we achieved our improvement goals? What have we learned and what are our next steps?'

Over draft 2022-2024 Site Improvement Plan has almost been completed based on the above steps and will be shared with the community shortly.

2022 Staffing arrangements

The aim is to have by the next newsletter our 2022 Staffing arrangements in place. We have recently started to transition our incoming students into Kapunda Primary School for 2022, as well as support in transitioning our Year 6 and 7 cohort out, as they move toward high school. At this stage, we are unsure who our contracted staff will be in 2022, but hope that we are able to retain many of our contracted teachers and temporary SSO staff despite reducing by 1 class next year.

2022 Materials and Services charges

Section 106A of the Education Act enables schools, in consultation with the school Governing Council/Community to set, collect and recover a Material and Services Charge.

Principal comments continues

Attached in this newsletter is a written verification from the Chief Executive Officer in the form of a "Watermarked Notice".

All Parents/Caregivers are invited to attend the School Governing Council Meeting on **Monday 22/11/2021 at 6:30pm** (depending on COVID-19 restrictions) at which the proposed Materials & Services Fees for 2022 are to be approved. Please see the copy of these fees in this newsletter. If you have any queries regarding this charge, please contact the school on 8566 2008. If you are unable to attend the Governing Council meeting, you are welcome to express your views in writing to the Chairperson, Megan McWaters at Kapunda Primary School.

Thank you

We would like to thank our entire school community in supporting us (and South Australia as a whole) by ensuring that we keep everyone safe in relation to COVID-19. In 2022 (dependent on what happens when the state borders relax next week) we hope that schooling can return to how it was, pre COVID. We are working on having parents and families back on site - assemblies, volunteering and around the school - and special events being put back on the radar.

Today a hard copy letter has been sent home explaining COVID-19 vaccinations will be mandatory for all people who work or volunteer at Kapunda Primary School. The Commissioner for Police on November 16 announced the Emergency Management (Education and Early Childhood Settings Vaccination) (COVID-19) Direction 2021. Please refer to a letter sent home today for further information.

Kind regards,
David Pitt - Principal

"What did you do at school today?"

We have all asked this question of our children as they get in the car, or in house after a long day at school. We get the standard "nothing" in response, very frustrating.

What if we tried asking different questions, try some of these out with you children and see what responses you get, see if your one-word answer becomes a conversation.

- What is the best thing you did today?
- Who did you play with at recess/lunch?
- What made you laugh today?
- What book are you reading?
- What book did you read?
- What was something new you did today?
- What was your least favourite part of today?
- Tell me something you know today that you didn't know yesterday
- What challenged you today?
- What made you smile today?
- Did you fill some buckets today? How and who's?
- Did someone fill your bucket today? How and who?

Hopefully by asking something different you can learn more about your child's day and what they did.

DEVON CLOTHING TRY ON AFTERNOON

Reminder to all parents, Devon clothing will be coming to –

Kapunda High School on THURSDAY 25TH Nov - from 2.00pm till 7.00pm.
Exciting news they will have the new polo shirts on sale for the first time.

This is the perfect opportunity for all parents to bring students to try on and purchase uniforms for 2022.

Alternatively, you could try on for sizing and just place an order, if that is what you prefer.

Devon are offering free delivery to the school on **Tuesday 18th Jan** from 11am till 6pm for you to collect.

Devon will be doing another try on and buy afternoon on TUESDAY 18TH Jan from 11 - 6pm. Second chance to purchase uniforms, but also to collect orders from the try on afternoon of the 25th Nov.

Hope you can make these afternoons as these are the only opportunity to try on and buy uniforms directly from Devon.

Otherwise we do have a samples of sizes at the office that you are welcome to come and try on if ordering on line at present we do not have a sample of the new polo tops.

Regards
