## *From the Principal*

### **Welcome back!**

A warm welcome back to all students and families. We commence the term with 273 students. Term 4 is an exciting time for students and staff as they continue to build on their learning foundation while participating in engaging and challenging learning tasks. We are also preparing for 2023, with Kindy students about to start their transition visits and our Year 6 students getting ready for their transition to secondary school.

As parents/carers, you can support your child by discussing their learning with them, listening to them read or supporting them to complete what they have been learning in class. If you have any questions about your child's learning, please don't hesitate to contact their teacher to make a time to discuss further.

I wish all students a successful and rewarding Term 4, as they strive to achieve their learning goals.

### **World Teacher's Day 2022**

World Teacher's Day will be celebrated tomorrow (Friday, 28<sup>th</sup> October). It is an opportunity to pay respect to our teachers who play such an important role in the lives of young people.

Teachers have always had the reputation of going far and above the call of duty because of

their love of learning, but what has been required to keep educational services going in times of COVID has set a demand for even higher levels of commitment to our students and support for our families.

Teachers are preparing students for a future we can only imagine and this task is essential for the sustainability of the community, the country and the world.

Our teachers continue to strive for excellence at all levels and work tirelessly as a team to achieve learning goals for all students.

To all the teachers at Kapunda Primary School, thank you for all that you do.

### **2023 Student Placement**

Parents/carers are invited to email me information they think is important when placing their child in a class for 2023. Staff will also be collecting information from students about their placement for 2023. Please email me at [david.pitt941@schools.sa.edu.au](mailto:david.pitt941@schools.sa.edu.au) **by Monday 7<sup>th</sup> November 2022** if there is information you would like us to take into consideration. Requests after this date will not be considered as the placement exercise will have already started.

**There will be no requests for a particular teacher.**

## Principal Comments continued

### 2023 Materials and Services charges

Section 106A of the Education Act enables schools, in consultation with the school Governing Council/Community to set, collect and recover a Material and Services Charge. Attached in this newsletter is a written verification from the Chief Executive Officer in the form of a "Watermarked Notice".

All Parents/Caregivers are invited to attend the School Governing Council Meeting on **Monday 14/11/2022 at 6:30pm**, at which the proposed Materials & Services Fees for 2023 are to be approved. Please see the copy of these fees in this newsletter. If you have any queries regarding this charge, please contact the school on 8566 2008. If you are unable to attend the Governing Council meeting, you are welcome to express your views in writing to the Chairperson, Megan McWaters at Kapunda Primary School.
