#### **Site Improvement Plan**

The leadership team are currently reviewing our progress and achievement against the goals and targets in our Site Improvement Plan. What the review has highlighted is we have a number of students who achieved outstanding levels of progress this year, in both writing and reading. This is hugely pleasing for us as staff as it validates the work we have all been doing. For the students, experiencing positive growth and achievement in reading leads to greater engagement in all areas of learning as well as their overall wellbeing. In 2023, we will continue to refine and strengthen our explicit teaching of the reading comprehension strategies, to ensure students are able to make sense of what they are reading in all contexts and learning areas at their developmentally appropriate level.

#### **Kindy transition visits**

Our Kindy transition visits are about to start. The Kindy students will be visiting on Wednesday, commencing in Week 5, for three weeks. They will be on site from 9am - 12pm. During the transition visits, both Mrs Kearns and Mrs Schultz's current receptions will be in room 22A and 22B to continue with their learning with another teacher. The current Reception children may have the opportunity to play with the Kindy students during recess.

#### **Staffing and class updates for 2023**

Thank you to those parents/carers who took the time to provide information they thought was important when placing their child in a class for 2023. At this stage it looks like we will begin next year with 11 classes. We are continuing to monitor enrolments and over the next few weeks we will begin to look at classes and staffing for 2023. Some staff news we can confirm is that Jemma Worroll, currently at Tanunda Primary School, has won the Student Wellbeing Leader position at that site for the next 3 years. Congratulations Jemma. The process has commenced to appoint a Student Wellbeing Leader at Kapunda Primary School for 2023. We will also be commencing soon temporary teacher and ancillary positions for 2023. As we continue to look at budgets for 2023, for planning purposes, it is extremely important we have up to date information regarding student enrolments. A notice went home recently requesting information about your children and whether they will be attending Kapunda Primary School in 2023. We have used this information to determine indicative classes for 2023.

### **School Assembly**

Mr Horne's Year 2/3 Class and Ms Haywood's Year 4/5 Class are hosting our school assembly tomorrow afternoon at 2.30pm.

Parents/carers are welcome to attend.

### 2023 Materials and Services charges

Section 106A of the Education Act enables schools, in consultation with the school Governing Council/Community to set, collect and recover a Material and Services Charge. Attached in this newsletter is a written verification from the Chief Executive Officer in the form of a "Watermarked Notice".

All Parents/Caregivers are invited to attend the School Governing Council Meeting on **Monday 14/11/2022 at 6:30pm**, at which the proposed Materials & Services Fees for 2023 are to be approved. Please see the copy of these fees in this newsletter. If you have any queries regarding this charge, please contact the school on 8566 2008. If you are unable to attend the Governing Council meeting, you are welcome to express your views in writing to the Chairperson, Megan McWaters at Kapunda Primary School.

Kind regards,  
David Pitt - Principal

Attention students of KPS....

Breakfast Club is back

8:30am - 8:50am in the Kitchen

Breakfast is often called 'the most important meal of the day'. If you don't have breakfast, you might feel sluggish and struggle to focus on things. Early morning starts and busy morning schedules mean many of us don't make time to sit down to eat before heading out for the day.

From Monday Week 5, we will have breakfast club up and running again each day. If you haven't eaten when you get to school, please come along and have some breakfast, it will give you more energy to start the day and be ready to learn.

# PASTORAL CARE WORKER

Hi, I am Angela ('Ange') Mickan and I am excited to be in the role of Pastoral Care Worker (PCW) at Kapunda Primary School. I have worked in the school for the past 4 years as an SSO, doing classroom support and will continue to do this 3 days per week, alongside 2 days in the PCW role.

I have lived in Kapunda for close to 20 years now with my family, husband - Jack and 3 kids – Natalie & Henry who both started high school this year and Bradley, who is at Kindy this year, starting school at KPS in 2023.

I have a Pastoral Care space in the Library with a range of new books and will be offering some Christmas craft activities for students at lunch times in the coming weeks.

Through this role though, I not only offer support to students & staff, but also to families and the wider school community - so if you need any help, big or small, or you would just like to chat, please feel free to contact me through the school office.

### Pick up and drop off

All students will need to be dropped at their classrooms by 5:30pm to ensure we can start the concert at 6:00pm. At the conclusion of the concert students will need to be collected and **signed out** from classrooms.
